Corner grab bar, white anti-bacterial Nylon

Ref. 5121N

Bright white NylonClean anti-bacterial HR Nylon,

DESCRIPTION

Corner grab bar, white anti-bacterial Nylon - Ref.5121N

Two-wall corner shower grab bar ¯ 32mm, for people with reduced mobility.
Can be used as a support rail to support the user in an upright position.
Helps and secures movement in the shower, or to get into or out of the bath.
For WCs with a recessed cistern or direct flush, helps transfer from a wheelchair to the toilet.
NylonClean anti-bacterial treatment: optimal protection against bacterial development.
Can support a removable shower seat (order separately).
Suitable for intensive use in public places or the healthcare sector.
High strength polyamide (Nylon): with 2mm reinforced steel core treated against corrosion.
Uniform non-porous surface for easy maintenance and hygiene.
Good resistance to chemical products and cleaning. Anti-UV treatment.
Warm to the touch.
38mm gap between the bar and the wall: minimal space prevents the forearm passing between the bar and the wall, reducing the risk of fracture in case of loss of balance.
Fixings concealed by a 6-hole cover plate, ¯ 73mm.
Supplied with stainless steel screws for concrete walls.
Dimensions: 750 x 750mm.
Tested to over 200kg. Maximum recommended user weight 135kg.
Angled grab bar with 10-year warranty. CE marked.

ADVANTAGES

- NylonClean anti-bacterial treatment
- Tested to over 200kg
- Gap between wall and bar 38mm: minimal space
- Withstands chemical products and cleaning
