Soap dispenser 1000ml ABS white

Ref. GW04 12 01 00

DESCRIPTION

Soap dispenser 1000ml ABS white - Ref.GW04 12 01 00

The dispenser is entirely made of white ABS material and has an inner polythene container with a capacity to hold up to 1,000 ml of liquid soap. The inner container is filled by opening the safety lock located on the upper part of the product and lifting the cover.
The cover of the soap dispenser is made of thermoplastic ABS material in a white finish. By manually pushing the cover, it serves a measured amount of soap.
The product dimensions are 245 x 115 x 110 mm. It is fixed to the wall using 4 screws, with universal wall plugs for brick walls, located on the dispenser's assembly frame. It can be filled with vegetable or synthetic soap.
