

HEPA-Filtered VERDEdri®

Ref. GW01 28 04 01

DESCRIPTION

HEPA-Filtered VERDEdri® - Ref.GW01 28 04 01

VERDEdri is a high-speed, surface-mounted ADA compliant hand dryer with flexible controls and hygienic features. Combining simple, low cost ADA compliant installation, outstanding energy efficiency and extended motor life, VERDEdri provides facilities with low operating cost, long reliable service life and an attractive return on investment.

Product Benefits

- 12 second dry time
- Surface-mounted ADA compliance simplifies installation and reduces installation costs
- Energy efficient - low operating cost
- Adjustable speed and sound controls
- Extended life motor with replaceable brushes maximizes service life and minimizes maintenance downtime
- HEPA filter eliminates 99.97% of particles 0.3µm or larger
- Antimicrobial technology protects the treated surfaces on the dryer by inhibiting the growth of bacteria, mold and fungus that can cause stains, odors or deterioration
- Universal voltage — accepts 110-277 VAC input
- IP24 rating — protection against harmful water ingress
- Optional adapter kit1 for top-entry surface-mounted conduit
- Durable and vandal resistant

ADVANTAGES

Hygienic: Features HEPA filtration, antimicrobial technologies

Energy Efficient: Optimized technology dries hands in as little as 12 seconds

ADA Compliant: design ensure compliance for walkways and pathways

Reliable Performance

TECHNICAL CHARACTERISTICS

HEPA-Filtered VERDEdri® - Ref.GW01 28 04 01

Technology	Infrared sensor
Height	368 mm
Finish	Satin 304 stainless steel
Width	311 mm
Depth	100 mm
Thickness	2 mm
Filter	Hepa Filter
Traffic	High
Power	675 / 950 W
Dry Time	12 sec
Air Speed	241 - 362 Km/h
Air Flow	71 - 109 m³/h
