Folding seat 304 stainless steel brushed

Ref. GW11 23 04 01

AISI 304 stainless steel, satin

DESCRIPTION

Folding seat 304 stainless steel brushed - **Ref.GW11 23 04 01**

The folding shower seat is manufactured in an AISI 304 stainless steel structure screwed to the seating surface made of AISI 304 stainless steel slats. Its structure manufactured in AISI 304 stainless steel, 32 mm diameter, 1.5 mm thickness, is fixed to two wall supports manufactured in AISI 304 stainless steel, 3mm thickness.
The structure turns 90¼ to the wall supports in order to be able to leave the seat in upright position.
The assembled unit has a brushed finish and its materials assure a correct maintenance and cleaning.
The shower seat is fixed to the wall with 8 screws 8 x70mm and 8 nylon wall plugs 10x50 mm to support static loads of 227 kg (500 lb).
The total measures of the product are 190x493,2x451,4 mm

ADVANTAGES

- Anti-fingerprint treatment
- Easily removable head
- Comfort: large, ergonomic seat
