Automatic paper towel dispenser

Ref. GW03 24 04 01

DESCRIPTION

Automatic paper towel dispenser - Ref.GW03 24 04 01

The dispenser of paper towels is made up of a cover and a support that are attachable to a wall.
The cover is made in AISI 304 stainless steel with a brushed finish. The wall mount is made in AISI 304 stainless steel
with a brushed finish.
Automatic alters to DC batteries when AC mains fail to power the dispenser.
Paper needs to have a certain consistency.
Using a paper too soft can cause malfunction in inner mechanism.
The paper towels rolls are replaced by inserting a key in the slot on the side of the dispenser and turning it 90¼ in order to open the cover.
It is fixed to the wall by means of 4 screws, with universal wall plugs for brick walls, located on the product's wall mount

ADVANTAGES

- Sensor activation
- Three automatic length to suit for different needs
