Hair dryer "MISTRAL" 1400W

Ref. GW02 03 01 00

DESCRIPTION

Hair dryer "MISTRAL" 1400W - Ref.GW02 03 01 00

Mistral hot air hair dryer with wall mount.
Both the mount and the hair dryer are made in white ABS plastic.
The mount is fixed to the wall with two screws, for which two holes need to be drilled in the wall using a 6 mm drill bit.
On the front of the hair dryer mount, there is a main switch with an indicator light and two shaver sockets, a 110V flat pin and the other a 230V round or flat pin.
On the front of the pistol_type handle, there is a switch with three positions: ÔCÕ Đ minimum flow/cold air, Ô1Õ Đ minimum flow/hot air and Ô2Õ maximum flow/hot air.
To use the hair dryer continuously, the spring push button located on the back of the handle must be pressed and held down.
This stops the hair dryer from being switched on accidentally. It has a 10000 r.p.m. DC motor that delivers an airflow of 75 m3/h at a speed of 55 km/h.
The heating element is 1360W Đ 230V, with a heat limiter.
The total power rating is 1400W at 230V Đ 50/60Hz.
The protection class against splashing is IPX1. Class II.
The total measurements of the hair dryer are 280 x 240 x 150 mm, and its total net weight is 1.2 kg
2- year warranty

ADVANTAGES

Bag hooks on both sides offer convenience

TECHNICAL CHARACTERISTICS

Hair dryer "MISTRAL" 1400W - Ref.GW02 03 01 00
