

Buit-in paper towel dispenser & bin

Ref. GW09 02 04 01

For recessed installation

DESCRIPTION

Buit-in paper towel dispenser & bin - Ref.GW09 02 04 01

Recessed paper towel dispenser and waste receptacle. The product consists of a main structure, a paper towel dispenser and a waste receptacle.

The main structure, manufactured in folded 0,8mm thickness AISI 304 stainless steel, has in its front part the paper dispenser and the waste receptacle.

The paper towel dispenser, manufactured in folded AISI 304 stainless steel, can contain C-folded or Z-folded paper towels. The waste receptacle, manufactured in folded AISI 304 stainless steel, has a total of 20L capacity. Both units have a 1,2mm AISI 304 stainless steel door with high resistance lock (2 keys included) and continuous hinge.

The furniture has a satin finish that assures high resistance to corrosion. The total measures of the product are 1300x370x160mm
