

Be-line® anthracite angled grab bar 135i, 400 x 400mm

Ref. 511982C

Metallised anthracite powder-coated aluminium, 3 fixing points

DESCRIPTION

Be-line® anthracite angled grab bar 135i, 400 x 400mm - Ref.511982C

Be-line® angled grab bar 135i, 35mm, for people with reduced mobility. For use as a handrail (horizontal part) or as a grab rail (135i part), for WCs, showers or baths.

Use as a universal grab bar for either left or right side.

Aluminium tube thickness 3mm. Solid aluminium fixing points.

Rounded profile 35mm with ergonomic flat front face that prevents rotation for an optimal grip.

Metallised anthracite powder-coated finish; provides a good visual contrast with light-coloured walls.

Uniform surface for easy maintenance and hygiene.

38mm gap between the bar and the wall: minimal space prevents the forearm passing between the bar and the wall, reducing the risk of fracture in case of loss of balance.

3 fixing points prevent the hand from getting trapped and simplify installation.

Concealed fixings.

Supplied with stainless steel screws 8 x 70mm for concrete walls.

Dimensions: 400 x 400mm.

Tested to over 200kg. Maximum recommended user weight: 135kg.

Grab bars for toilets with 10-year warranty. CE marked.

TECHNICAL CHARACTERISTICS

Be-line® anthracite angled grab bar 135i, 400 x 400mm - Ref.511982C
