

Undercounter soap dispenser 500ml 304 stainless steel

Ref. GW04 09 04 02

DESCRIPTION

Undercounter soap dispenser 500ml 304 stainless steel - Ref.GW04 09

04 02

This counter mounted soap dispenser consists of a polished AISI 304 stainless steel container, an AISI 304 stainless steel head with a polished finish, and a chromed metallic stem.

The container holds up to 0.5 l litre of liquid soap.

The container is filled from the top of the dispenser by unfastening the top piece of the push pump with the tool provided for this purpose.

The push pump is operated manually by pressure.

The dimensions of the dispenser are 315x77x138 mm, and its net weight is 0.6 kg.

The dispenser is installed by drilling a 26 mm hole on the mounting surface.

It can be filled with vegetable or synthetic soap

ADVANTAGES

NylonClean anti-bacterial treatment Tested to over 200kg
