Wastepaper bin 5L black stainless steel

Ref. GW06 02 03 03

DESCRIPTION

Wastepaper bin 5L black stainless steel - Ref.GW06 02 03 03

Pedal operated, tip-open wastepaper bin 5 liters.
The product consists of a main body, a lid and an interior receptacle.
The main body, manufactured with carbon steel sheet, includes in its front part the pedal to
swing the cover.
The lid, manufactured with carbon steel, includes in its rear part a hinge which is activated with the front pedal making the lid swing.
The interior receptacle, manufactured with black color
thermoplastic ABS, includes a steel handle for its removal.
The assembled unit has a matt black epoxy finish that ensures adequate resistance to corrosion.
The total dimensions of the product are 284 x ¯203 mm.

ADVANTAGES

Easy to clean
