

## Complete bed pan cleaner

Ref. D275065

With stopcock M1/2"

### DESCRIPTION

#### Complete bed pan cleaner - Ref.D275065

Complete bed pan cleaner with stopcock with ceramic discs.  
Integrated back flow prevention device and non-return valve.  
White, opaque reinforced PVC flexible hose, FF1/2" L. 0.80m.  
HOSPITAL bed pan cleaner with inverted hand spray: water flows when trigger is released (shut off the stopcock after use to avoid the flexible remaining under constant pressure) with removable nozzle at a 30° angle.  
White, wall-mounted hook with screw.  
10-year warranty.
